

### Remittance Survey

### Institute of Certified Construction Industry Financial Professionals

October 27, 2015

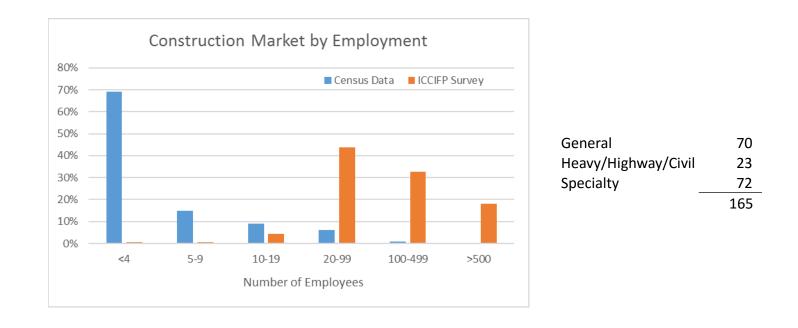

Chris Zaucha, CCIFP
Executive Director, ICCIFP

Chuck Elyea, CCIFP
Founder, ShareMyToolbox

#### Methodology

The survey was posted September 28<sup>th</sup>, 2015 on the CFMA *Bottom Lines* newsletter reaching approximately 7000 members and emailed to 950 CCIFPs. We closed the survey on October 14<sup>th</sup> with 165 respondents as follows:

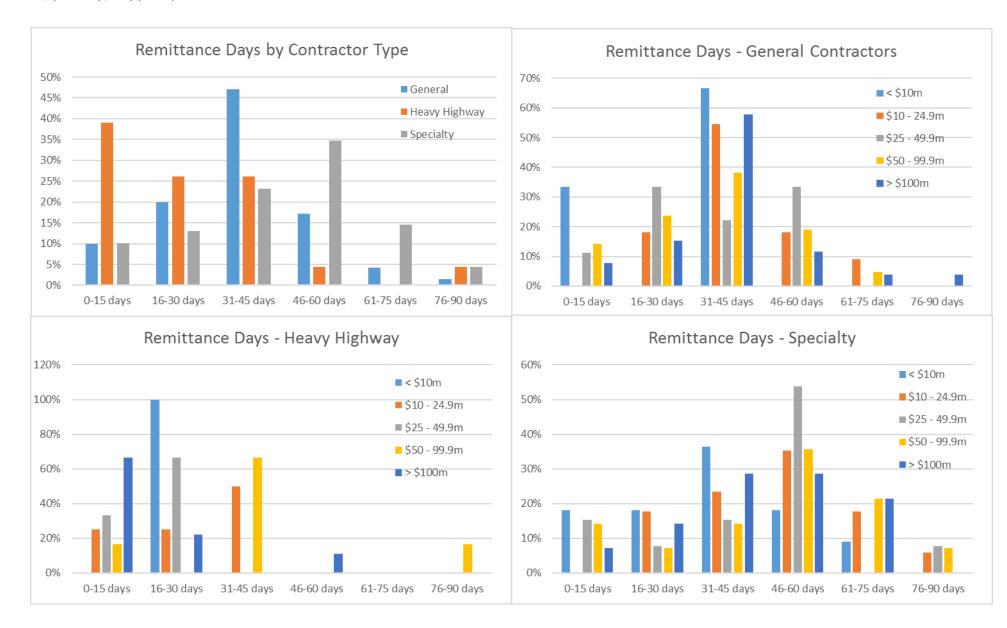

Since the sample was targeted at CFMA membership and CCIFPs, the results are skewed towards larger contractors and do not represent the market in general according to the last US government census.

#### On average, how long does it take your company to remit payment to subcontractors?

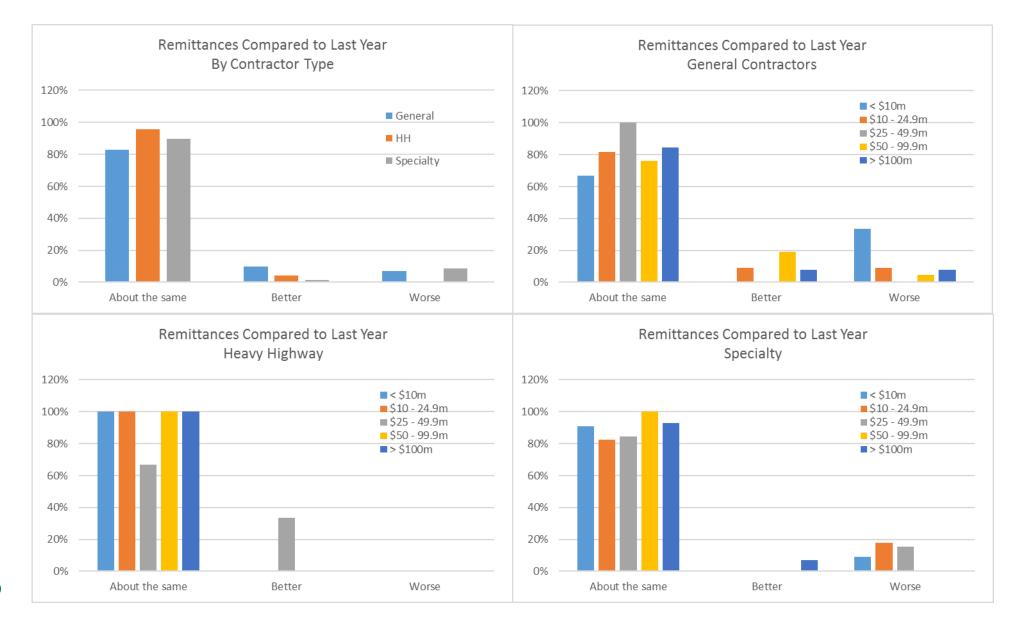

3 respondents (specialty) skipped question

#### How does your current remittance time to subcontractors compare to last year?

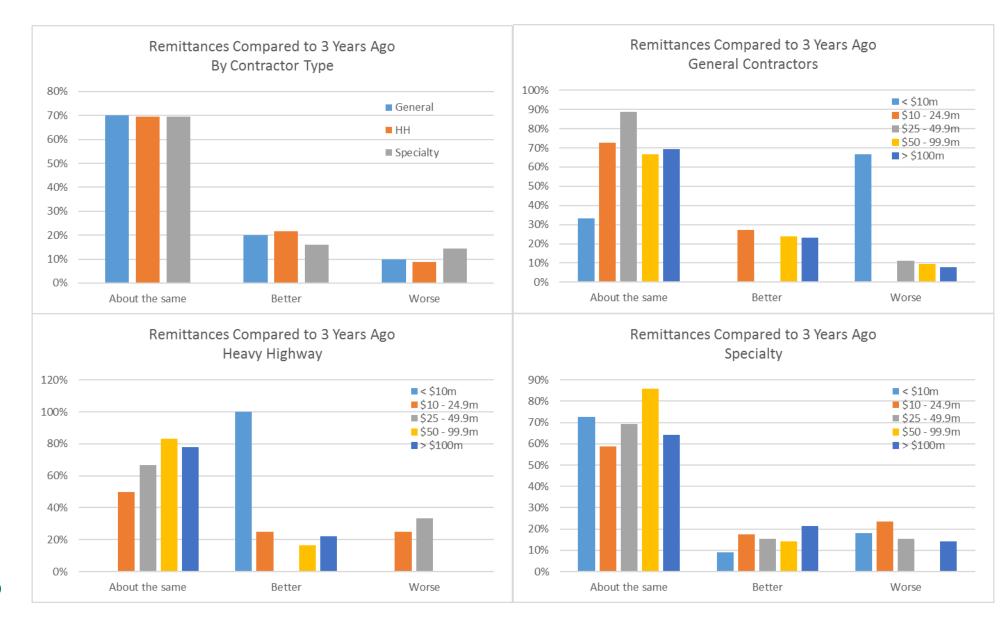

3 respondents (specialty) skipped question

#### How does your current remittance time to subcontractors compare to three years ago?

3 respondents (specialty) skipped question

#### On average, how long does it take your company to remit payment to suppliers/vendors?

5 respondents (2-general, 3-specialty) skipped question

#### How does your current remittance time to suppliers/vendors compare to last year?

5 respondents (2-general, 3-specialty) skipped question

#### How does your current remittance time to suppliers/vendors compare to three years ago?

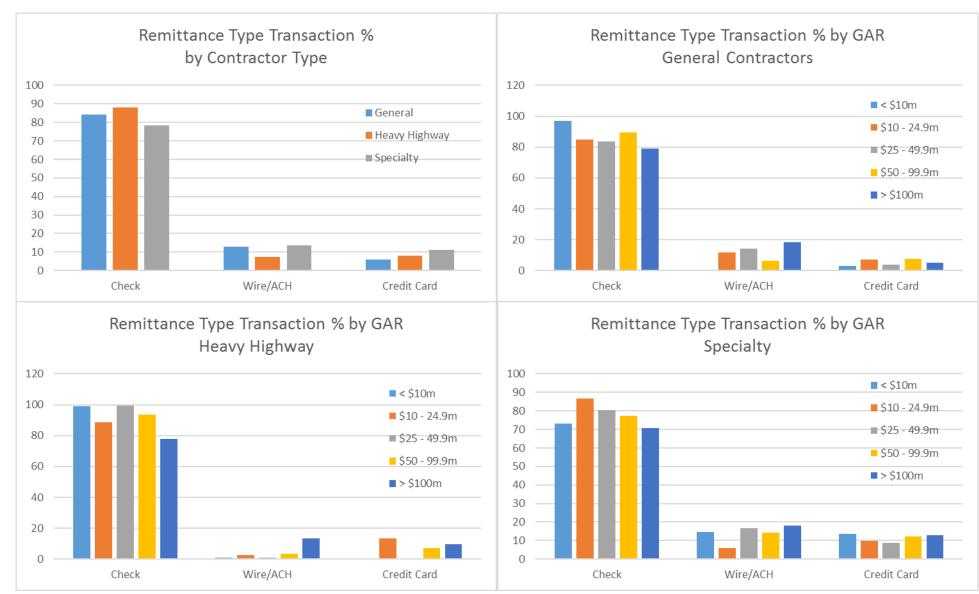

5 respondents (2-general, 3-specialty) skipped question

Of all remittance transactions you made during the last year, what percent were checks, what percent 9 respondents (4-general, 4-specialty, 1-hh) skipped question were ACH/wire, and what percent were credit card?

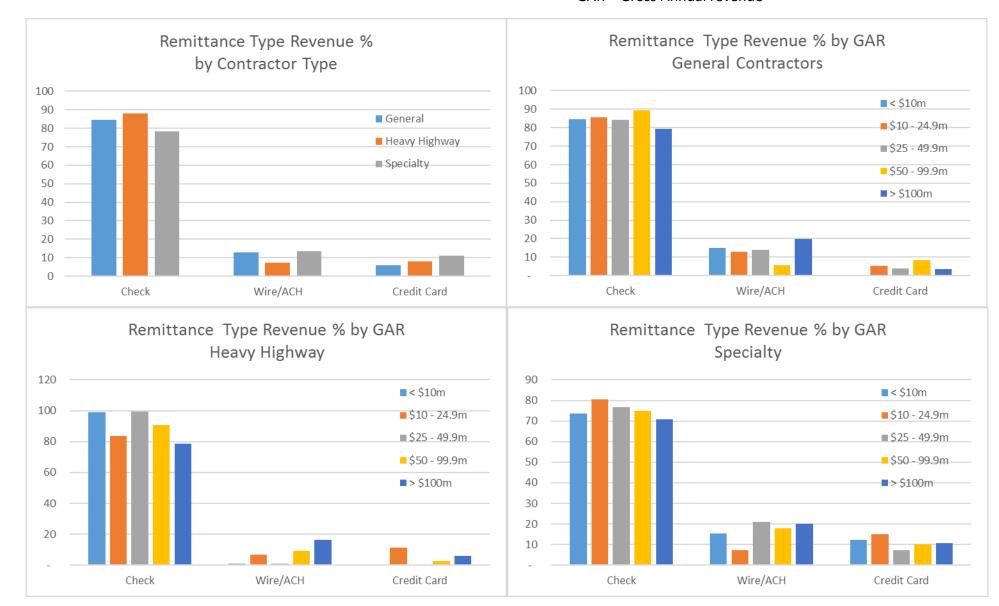

GAR = Gross Annual revenue

#### When considering your total remittances for the last year, what percent were checks, what percent were ACH/wire, and what percent were via credit card?

9 respondents (4-general, 4-specialty, 1-hh) skipped question GAR = Gross Annual revenue

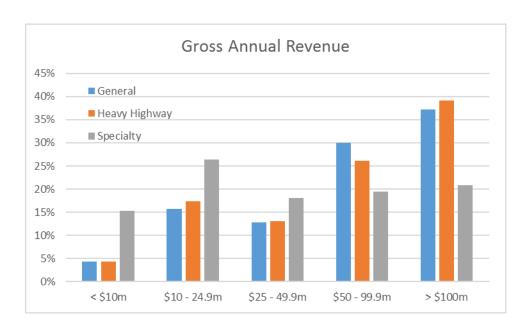

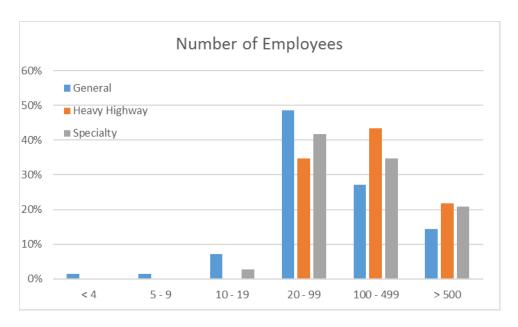

# Survey respondents by gross annual revenue

Survey respondents by number of employees
