For the **ICCIFP RECEPTION: SUNDAY FUNDAY** at CFMA's 2018 Annual Conference & Exhibition

SUNDAY, JUNE 24

8:00–11:00 p.m.

ICCIFP RECEPTION: SUNDAY FUNDAY

Over 100 knocked down pins at Lucky Strike in Chicago and well over 200 howled at the moon in San Antonio. Last year we bought out a restaurant and gave everyone a chance to recover. This year's reception will be the biggest and most extravagant yet. If what you're seeking is a fun and unique South Beach experience, then the ICCIFP reception at Mango's Tropical Café will exceed your expectations. Located in the heart of South Beach's iconic Ocean Drive, Mango's offers a showcase of international talent, cuisine and entertainment. Join us from 8-11 p.m. for light fare and an open bar in the private Vodou Room complete with mystical Haitian artwork of internationally acclaimed artist Edouard Duval-Carrie – including the handcrafted bar. We'll have space carved out for dancing and a balcony overlooking the famous Mango dance revue. Transportation will be provided to/from the hotel. Don't find yourself wishing on Monday you had joined us for Sunday Funday when you start hearing the stories.
